Additionally, AAASEF has reserved scholarship funds for association members and employees wishing to further their education or enhance their skills at trade schools, junior colleges, manufacturer sponsored clinics, etc. This effort is aimed at enhancing and expanding the capabilities of AAAS members and employees. Chairman Morgan thanks all of the association members and industry contributors for their efforts in making this valuable program possible.

AAAS, along with several other state and national associations, collaborates with the University of the Aftermarket Foundation (UAF) Scholarship Committee. Through this cooperative effort, students are able to complete one online application at www.automotivescholarships.com/AAAS and receive consideration for the AAASEF and the UAF scholarships and other industry awards.
