Airtex-ASC Introduces LinkedIn Page for North America

NORTH CANTON, Ohio – August 29, 2018 – Airtex-ASC, the leading manufacturer in North America of fuel and water pumps, has introduced a LinkedIn page for the North American markets.

“Many of our customers in North America use LinkedIn as a source of information and a communication tool, so we added this new page to our social media mix specifically for them,” said Jonathan Triola, marketing coordinator for Airtex-ASC.

The LinkedIn [page](#) complements the Airtex-ASC global LinkedIn profiles, featuring the company’s latest news and showcasing career opportunities available coast to coast. Airtex-ASC also has a popular [Facebook](#) page and [Twitter](#) feed.

For more information about premium quality Airtex fuel pumps and ASC water pumps, contact an Airtex-ASC sales representative or visit www.airtexasc.com.
