## **New Snap-on® Classic Roll Cab takes technicians to new heights with more power**

**KENOSHA, Wis. (June 19, 2019)** – The 73" Snap-on® [KCP1423](#) 15-Drawer Double Bank Classic Series Roll Cab with PowerDrawer™ and Speedrawer offers technicians added height and 50% more storage for use in all types of repair and maintenance settings, especially compact workplaces where floor space is limited.

This taller roll cab features:

- [Speedrawer](#) specially designed for organizing loose fasteners, parts and tools
- [PowerDrawer](#)™ that makes it possible to charge power tools and handheld devices with five outlets and two USB ports
- Drawer with a 12" Power Tool Rack designed to hold cordless and pneumatic tools
- Three spacious, extra-wide top drawers for easier access to the most often used tools
- Heavy-duty drawer slides, each capable of holding up to 227 lb

"My customers love that they get the Speedrawer, PowerDrawer and power tool organizer drawer all in one roll cab. The height of the roll cab is a huge factor for customers, and many of them want to purchase the work center as well because the extra height makes it really easy to see inside the work center," said a Snap-on Franchisee from Camdenton, Missouri.

The welded, reinforced corners maintain the cabinet's tough structure, while vibration-absorbing casters provide tools and equipment a smooth, stable work and storage environment. This roll cab is available in 11 color packages including black trim, titanium Snap-on® logo and more.

Find out more about this new tool storage unit, as well as other tools and products, by contacting your Snap-on franchisee or other representative, visiting [www.snapon.com](http://www.snapon.com) or calling toll-free 877-SNAPON-4 (877-762-7664).

### **About Snap-on Tools**

Snap-on Tools is a subsidiary of Snap-on Incorporated, a leading global innovator, manufacturer and marketer of tools, equipment, diagnostics, repair information and systems solutions for professional users performing critical tasks. Products and services include hand and power tools, tool storage, diagnostics software, information and management systems, shop equipment and other solutions for vehicle dealerships and repair centers, as well as for customers in industries, including aviation and aerospace, agriculture, construction, government and military, mining, natural resources, power generation and technical education. Snap-on Tools is one of the largest non-food franchise companies in the world, selling its products and services through franchisee, company-direct, distributor and Internet channels. Snap-on Incorporated, which was founded in 1920, is a \$3.7 billion, S&P 500 company located in Kenosha, Wis. with operations throughout the world.
