Associated Equipment Announces Energy Efficient Heavy-Duty AGM Battery Chargers

ST. LOUIS, MISSOURI – Associated Equipment Corporation (AEC) announces three new energy efficient heavy-duty AGM battery chargers: 6006AGM, 6009AGM, 6012AGM.

“Associated Equipment took the opportunity to integrate AGM charging profiles and improve efficiency on three of our most popular ‘tried-and-true’ chargers; the 6006AGM, 6009AGM and 6012AGM” stated Kimberly Cottle, President and CEO of Associated Equipment Corp.

“We improved energy efficiency and added the ability to charge AGM batteries without sacrificing the legendary power and quality our customers have expected for over 70 years” added Cottle.

The 6006AGM charges all AGM, standard and maintenance-free 6/12/24 Volt batteries with five charging positions, 70/65/30 Amp continuous rating and a powerful 280 Amp crank assist. The 6009AGM 6/12 Volt fast charger high performance 265 Amp crank assist, higher than any other 60/70 Amp charger and the 6012AGM 6/12V fast charger offers crank assist of 250 Amps. All three US made chargers have fully insulated clamps on 100% copper twin-extruded DC leads (tangle-free), chrome plated steel handles and industry-leading two-year bumper to bumper warranty and five-year transformer/rectifier warranty. The 6006AGM, 6009AGM and 6012AGM are currently in production and available for distribution in September.

Established in 1948, Associated Equipment Corporation designs, patents and assembles, in St. Louis, Missouri, a full line of battery charging, testing and portable power solutions, as well as booster cables and clamps, for automotive, aircraft and recreational vehicle use for a worldwide customer base. AEC designs, imports and quality assures product under ATEC® brand with unique packaging targeting commercial channels. Associated Equipment is committed to providing the highest quality battery service equipment to the professional tool and equipment distribution markets and professional technicians.

AEC also provides a full line of fume extractors, downdraft tables and ambient air cleaners for the welding industry under the Ace Industrial Products™ brand.
